May 12, 2024

**Markus Lind**

has successfully completed the online Specialization

# Cloud Application Development Foundations

This specialization equipped you with all the key skills and technical know-how to kickstart your career as a full-stack Cloud Application Developer. Guided by experts at IBM, you learned to build your own cloud-based applications and practice working with the technologies behind them.

*Richa S. Al-Salim, Muhammad Yehya, Sashin*

Full Stack Web Developer (MERN & MEVN) and Subject matter expert, Senior Software Engineer, Software Developer, CCO & Global Program Director, Software Engineer and Data Consultant

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
